Ms. Paltiyevich's practice focuses primarily on the representation of educational institutions in the areas of facilities, business, maintenance, and operations, including all aspects of public procurement and purchasing. She further assists clients in all aspects of construction, with an emphasis on the procurement, negotiation, and preparation of contracts with design professionals and contractors. Prior to joining the firm, Ms. Paltiyevich's practice focused on complex commercial and civil litigation matters in numerous areas of law including: contracts, the Texas Deceptive Practices Act, commercial leases, construction, and land-use.
